

# SIGNATURE SERIES

QUALITY MADE AFFORDABLE.

This 150" model meets the high demands of the EMS community. It has been pre-engineered and pre-configured with the most popular customer requests.

The Signature Series is the newest model to the Braun portfolio. Braun passionately believes that "quality isn't cheap, but it should be affordable". The Signature Series is a direct result of customer requests and has been preconfigured and pre-engineered to provide an economical price!

This model offers superior outside storage space and maintains the Braun exclusive Solid Body™ Construction, EZ Glide™ Sliding Door, MasterTech™ Multiplex Electrical Control System, Eberhard Free Floating Latches and Braun

exclusive VitalMax™ Lighting System. The Signature Series has unique design features included in the module: all-LED warning lights, structurally superior, aluminum welded interior cabinets, and more customer usable payload. The cabinets utilize Braun's "Take The Edge Off" rounded corners. We have preconfigured the outside storage space to accommodate a stair chair; the interior has a second action area to accommodate a defibrillator; and a customized front wall ALS cabinet with locking drug cabinet are included in this decked out 150" module.
