

LIBERTY

LIBERTY

THE LIBERTY TYPE I AMBULANCE IS A FOCUS UNIT

The Liberty model is a great option for departments seeking the best of Braun in a Type I ambulance. Meeting today's budget and tomorrow's demands, a progressive options package helps departments and agencies customize the interior and exterior of the 156" module. It shares the same quality as the larger units in our product lineup and maintains the highest safety standards in the industry. The Liberty Type I ambulance is available on the Ford F450, Ford F550, Chevy 4500HD, Chevy 5500HD, International CV4500HD, International CV5500HD, RAM 4500, and RAM 5500 chassis. Chassis platforms are available in two and four-wheel drive.

THE LIBERTY TO CHOOSE THE OPTIONS THAT BEST SUIT YOUR DEPARTMENT'S NEEDS AND BUDGET
We understand the need for a high-quality new ambulance sold at a reasonable price; the Liberty Type I ambulance gives every organization the

chance to own a custom handcrafted ambulance that meets their needs and their budget. Marketed as a "focus unit," the Liberty Type I ambulance allows departments and agencies to pick and choose the options most important to their EMS personnel. The 156" module with 72" of headroom offers plenty of space to work in and full customization inside and out!

The Liberty utilizes all aluminum welding interior cabinets with rounded corners for additional structure, more usable payload, and increased safety. It also features the advanced manufacturing that Braun has become known for. This includes standards such as our SolidBody™ Construction, an EZ Glide™ sliding door, Eberhard Free Floating Latches, MasterTech™ Multiplex electrical system, and Lifetime Structural Warranty.

FEATURES/BENEFITS:
